

Insight Edge/CAEG

Insight Edge is a full visibility range, designed without doors for added safety. Crafted with a tough MDF carcass, double skinned vertical panels for extreme strength, and an integrated anti-ligature sloping top.

Standard Features

- Tough, durable 18mm MDF carcass
- 25mm soft edge tops
- Double skinned 18mm MDF on vertical sections of wardrobes/chests for added strength
- Anti-ligature design with sloping top as standard (25mm)
- Edging: Coordinating 2mm ABS lipping

Optional Features:

- Wardrobe available with full/half width clothes hanging space or shelved option
- Wardrobe width options
- Coloured back panel and wood finish options
- Flat top option
- Built-in safe/TV/lockable cupboard
- Shelved wall unit (300/400/500mm)
