

Soltaire/TSS004X

Soltaire provides enhanced safety and comfort for all client group risk levels.

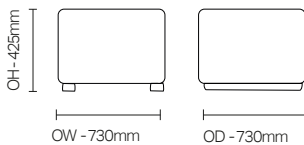

Standard Features

- Soltaire table with upholstered sides
- Extreme specification for high security environments
- Extreme construction as standard: fully boarded with plywood panels, non-retractable security screws, no visible staples or metal back tacking
- Solid wood glides for ease of manoeuvrability, with anti-ligature design

Optional Features

- Wood glide stain options
- Additional weighting to limit misuse and maximise safety
