

Astra Club 1E/ REAS31E

Astra Club is a new aesthetically designed contemporary electric recliner with ergonomic wingback styling and slimline arm profile. A new addition to the popular Astra family, for use in day patient and older people's facilities. Compact design makes it ideal for use in small private rooms.

Standard Features

- Designed with smaller footprint for everyday use
- Tilt-in-space functionality standard (backrest and seat recline synchronously, helping to maintain posture)
- Advanced mechanisms add to comfort and functionality
- Postural support with pressure management seat options
- One piece arm border minimises number of seams for infection control
- Four heavy duty lockable castors

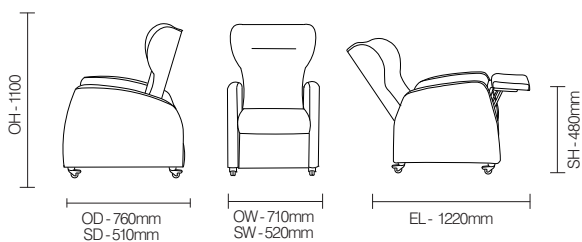

Optional Features

- Reflexion pressure management seat options
- Handset key lock
- Rechargeable battery pack
- Electrical safety cut out
- Patient transfer arm

Performance Standards

- BS 5852:2006 Crib 5
- BS7176:2007 Medium Hazard
- CMHR Foam to furniture and furnishing fire safety regulations 1988
